

AN ORDINANCE ADOPTING THE CITY OF BURLINGTON
WATER CONSERVATION ORDINANCE

WHEREAS, the Village of Alamance secures its primary water supply from the City of Burlington; and

WHEREAS, the City of Burlington has adopted an Ordinance which governs the use and restrictions on use of public water supplies during drought conditions; and

WHEREAS, the Village of Alamance desires to conform its regulatory practices to those of the City of Burlington in connection with water use;

NOW, THEREFORE, the Board of Aldermen of the Village of Alamance do adopt, by reference, the Water Conservation Ordinance of the City of Burlington as the Water Conservation Ordinance of the Village of Alamance.

1. The duties assigned to the City Manager in the Burlington Water Conservation Ordinance shall be exercised by the Mayor of the Village of Alamance.
2. The Ordinance shall take effect upon passage.
