RESOLUTION IN SUPPORT OF

EDUCATION BONDS AND SALES TAX INCREASE

WHEREAS, the Alamance County Board of Education has proposed a bond package of $150 million for the purposes of updating and expanding the capacity of the Alamance-Burlington School System (ABSS), and;

WHEREAS, the Board of Trustees of Alamance Community College (ACC) has proposed a bond package of $39.6 million for new and expanded facilities and programs, and;

WHEREAS, the Alamance County Board of Commissioners has approved both measures, in those full amounts, to be put before the citizens of Alamance County for a vote on Tuesday, November 6, 2018, and;

WHEREAS, the Commissioners have limited the amount of a property tax increase to a maximum of $0.788/$100 and approved, for inclusion on the ballot, a 0.25% increase of the local sales tax as a means for generating revenue for bond debt repayment and thus reducing the impact of a local property tax, and;

WHEREAS, the Board of Alderman of the Village of Alamance supports improving economic development opportunities and the overall quality of life in the community through enhancing local educational institutions and their facilities, programs, and services, and;

WHEREAS, these planned improvements are essential elements to the adopted strategic plans for both ABSS and ACC to offer a world class education system as envisioned by the citizens of Alamance County necessary for educating and training a 21st century workforce;

THEREFORE, BE IT RESOLVED that Board of Alderman, on behalf of the Village of Alamance citizens, fully supports both bond measures with the local sales tax increases for revenue generation as being foundational and transformational investments for the future of Alamance County.
